

IV Annual Conference European Association for Horse Assisted Education (EAHAE)

Widen horizons

Horses in people trainings

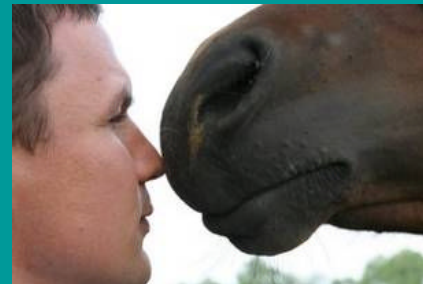

14 – 16 November 2008, Warsaw, Poland

EAHAE networks organizations and people dealing with people development in their professional and personal lives, using horses as a catalyst for change.

Over 100 EAHAE members from twenty countries representing 5 continents meet to present the world trends and approaches to Horse Assisted Education and share their knowledge and experience.

More information in January 2008

**Register for EAHAE membership
and join the conference!**

Horses as catalyst

Are metaphor of life, work and relation

Give true and honest feedback

Expect clear communication
